A PICTURE IS WORTH 5% OFF!!

Send digital photo to info@keeautotop.com
Send us a picture to show off your installation skills!! If we use your picture, you will receive 5% off your next convertible or vinyl top.

Trimmer Tip

When installing convertible top tacking strips you will get a much better job when you use urethane as a sealer. By doing this it will prevent the tacking strip from pulling out from the trim stick.

Thanks George!
